

## **Additional support offer for the NPQ in Headship**

In addition to the reformed suite of NPQs, the DfE is introducing an additional support offer for new headteachers from autumn 2021. This is a targeted support package for teachers new to the role of headship.

You are eligible for this targeted support package if you meet the following criteria:

- Are in your first 24 months of headship
- Work in a state funded school in England upon starting the training
- Have either completed an NPQH before taking up your first headship post or are currently taking the NPQH
- Have not withdrawn from the additional support programme previously

The offer provides structured, unassessed face-to-face support based on the best available evidence about what makes an effective headteacher. Support is provided by our Lead Provider Teach First and will be based on a coaching model, tailored to your needs.

If you would like to access this additional support, or discuss it further then please contact:
