

ARE YOU INSET READY?

Did you know your local SLP can support your inset days...

- ◆ We can work with you to produce bespoke science delivery across a full day, half day or 1.5 hour sessions.
- ◆ We can deliver to whole school for Primary schools, Departmental for Secondary schools or MAT wide for both.
- ◆ Contact us for further information, pricing and possible funding opportunities.

Examples of sessions to choose from:

Primary

- ◆ Working Scientifically
- ◆ Linking science and Maths
- ◆ Scientific vocabulary
- ◆ Subject knowledge enhancement on chosen curriculum area e.g. Forces, Materials, Plants, Electricity
- ◆ Leadership and Ofsted

Secondary

- ◆ Maths in Science
- ◆ Challenge and Scaffolding
- ◆ Learn more, remember more, do more
- ◆ Subject knowledge enhancement on chosen curriculum area e.g. The nervous system, Ecology, Energy, Quantitatively chemistry
- ◆ Effective practicals in science

Please contact your local **Science Learning Partnership** to discuss your learning needs. They are led by schools and colleges with cutting-edge expertise in science, and provide school-to-school support.
