

Early Career Framework Facilitator Opportunities – Year Two Programme Facilitators

One Cumbria Teaching School Hub is offering the Early Career Framework Full Induction Programme in partnership with Teach First.

The full Induction programme offers schools the chance for Early Career Teachers and their mentors to access a free programme of high-quality CPD and a personalised digital learning platform.

Our team of facilitators from schools within our Teaching School Hub partnership deliver the Year Two ECF programme for teachers across the region. Year Two of the ECF is subject and phase specific so Year Two Facilitators can demonstrate excellent phase and subject knowledge.

The facilitator role has fantastic benefits of working with schools, teachers and leaders across a wide range of schools and locations. This is an excellent CPD opportunity for anyone wishing to broaden their experiences and to become involved in developing the teaching workforce across our region whilst still working in school.

Year Two Facilitators are required to attend three half day sessions over the academic year. These will be held during the school day and the monies will be reimbursed direct to your academy/school

For 2022/23 academic year we are looking for the following phase/subject specialist facilitators:

Primary –

Early Years, KS1 and KS2

Secondary -

Mathematics, English, Science, History, Geography, Art, Modern Foreign Languages, RE, PE, DT (engineering), DT (catering), Drama, Music, Computing, Psychology/Sociology.

Quality Assurance

Teach First and One Cumbria have a robust QA process to make sure that facilitation is of the highest quality. This could include observations, feedback from programme members, surveys, and school visits.

If you are interested and would like to join our team:

Please provide us with evidence that you have both expert subject knowledge and strong pedagogical knowledge of how to teach your subject. Please submit a written expression of interest (no more than 750 words) that includes details of a lesson you have recently delivered that shows your subject/phase and pedagogical knowledge. Please make reference in your submission to how you use research informed strategies in your teaching of your subject/phase. Please include where possible, details of your experience planning

and delivering CPD, any coaching experience you may have and how you have worked with colleagues to develop and deepen understanding of teaching and learning

Please email this to Tina Beddoe, BEDDOET@onecumbria.education.

Please do not send a CV.

Please ask your headteacher to send me an email confirming that they support your application and they understand the time commitment required.

Candidates will only be considered for shortlisting where this is in place.

For additional information or an informal discussion, please contact Tina Beddoe, Deputy Director: beddoet@onecumbria.education
