

Primary Mastery Specialists

Become part of our 9th cohort of Primary Mastery Specialists. Primary Mastery Specialists play an integral role in ensuring that teachers and schools across Cumbria and North Lancashire have access to high quality professional development opportunities to develop, embed and sustain Teaching for Mastery in their schools.

Further Education Mastery Specialists

Train to become one of the first Further Education Mastery Specialists for NNW Maths Hub. We are looking for Further Education establishment colleagues who currently teach Functional Skills Qualifications (FSQ) and/or GCSE Maths Resit to train as specialists to support your own and other educational establishments to develop Teaching for Mastery approaches across Cumbria and North Lancashire.
